We find the money. You reap the rewards, and track your savings with your new laptop!*

If your company does not have a post-audit of transportation payments in place, you're likely leaving money on the table. Global4PL's proven post-audit service finds errors in freight forwarder payments and recovers overpaid funds - hundreds of thousands of unexpected dollars for just one shipper.

We consistently achieve powerful results for satisfied clients, and analyze freight trends to recommend transportation and warehouse cost reductions and service improvements. Our seasoned team specializes in finding money where others do not even look.

Global4PL's post-audit is ideal for global shippers with a transportation 'spend' greater than \$500,000.

How much are YOU leaving on the table? Let us find it for you. It is your money.

Global4PL will:

- Detect overcharges and unused / outstanding credits
- Verify that only the correct amounts were paid
- Verify that no duplicate payments were paid
- Recover lost money
- Improve your firm's cash flow
- Free up your A/P and Supply Chain personnel

Contact Global4PL today to take advantage of this unique, risk free offer.

E-mail us at info@global-4pl.com or call us at 866.475.1120 to arrange your post-audit.

Be a hero. Recover money for your company and enjoy a new laptop to keep track of the savings.

No Recovery means No Fees / 100% ROI + Guaranteed!!

* If your company has a transportation spend of more than half of million dollars and you sign a post-audit agreement with Global4PL, we will send you a laptop. If your company spends less than a half million dollars in transportation, we have other gifts for you.
